Torrey Apple Days 4th of July Celebration

Planning meeting on February 5th at 6:00 pm at the Town Hall.

Its hard to believe that we are thinking about a hot 4th of July day in these freezing January temperatures, but we have started to plan for Apple Days. For over 30 years Torrey Apple Days has always been a big part of Torrey and this has been made possible because of the all the volunteers that help plan and run the 2 day event. We are looking for a chairman and co-chairman for this years Apple Days 2014 event. The chairperson would chair it this year and then the co-chairman would chair it the following year with a new co-chairman. We hope someone will consider doing this job. Apple Days is changing and we are interested in new ideas that would launch and sustain Apple Days into the future. We would like and need your input as to how to make Apple Days better and keep the people coming to Torrey for a great family time for many years to come. Hope to see you there we could use your thoughts and ideas
