Town Council Meetings

2nd Thursday of each month at 6:30

Torrey Town News:

Torrey Town and Garkane Energy has been removing dead and diseased trees from the Town limits and we are hopeful to replace them soon.

Dog Licenses:

Torrey Town would like to thank those of you newly annexed residences for licensing your dogs. If you have not licensed your dogs they are now due so please come into the office and do so. This is a Town policy and we appreciate you being in compliance.

Business Licenses:

Renewals and new licenses are due by May 1st.

Water Shares:

20 shares are available at \$50 ea. You must own at least (1) share of Sand creek Irrigation to rent. ****Limit 3 per person****

Building Permits:

If you build within Torrey Town Boundaries, you will now need to acquire a building permit from Torrey Town.

Torrey Town Cleanup: Date Pending

We are asking everyone to refrain from putting anything on the town right away. We will begin mowing soon and we need to have all cars, trucks RV trailers, livestock trailers and other equipment moved off the right away. No garbage, sweepings, ashes, tin cans, dead trees, stumps, weeds grass, clippings, or rocks should be placed in the right away. Signs and other structures should not be placed on the right away. We appreciate your help in this matter.

Council News

The Town Council has been working on getting all of the Torrey Town ordinances codified in one book. It has been a long arduous process but it is near completion it will be an asset to the town office when completed.

Planning and Zoning:

The planning and Zoning will have a new lighting ordinance ready for the council to review at this months council meeting. A new special events ordinance is in review also, as well as a new encroachment and right away policy.

With the spring winds, we are sure you have found many new attractions blown into your yard. Beginning with

Easter and continuing through October, we will continue to see an influx of visitors to our town. We should all make an effort to have clean lots and yards and take pride in our beautiful town by cleaning up your yard and making people feel how much we love our town and the beauty it affords us all. The property owner is responsible for the elimination of any refuse accumulated in the yard and the Town council would like to ask everyone to please clean up their yards and make our town a beautiful place to for the visitors that will soon be coming to Torrey. Thank you the Torrey office.

Remember you must have a permit to

Torrey Apple Days is celebrated the first weekend in July.

Please join us in supporting **OUR** Towns premier event. We need your help, your ideas, and your commitment and we cannot do it without help. Please don't hesitate to call the
Town Hall @ 425-3600 or
Colleen at 691-0379 and lets make this year another great year.

Water Department News

Cross-Connection & Backflow Prevention

After using a hose attachment to spray his lawn for weeds, Bob disconnected the attachment and took a drink of water from the hose; a short time later Bob became very ill.

What Happened?

At some time while Bob was spraying the week killer, the water pressure dropped and the poison he was spraying on the lawn was drawn back up into the hose. When Bob took a drink from the hose, he drank water mixed with week killer.

If Bob had a **hose bibb vacuum breaker** on his hose connection, he could have prevented this cross-connection.

If you have any questions about Cross-connection and Backflow Prevention, call Dustin @ 425-3600.
